But, to my surprise,
I learn that the scheme of firka
development which is to be extended
to only one firka in a district is going
to be given a rude shock under pressure of
certain influential persons of the
district. I am told that the work
in this direction is going on and the

Sullia taluka is to be deprived of ... benefit - if my information is correct you are being pressed to change the original proposal of Government to extend it to Sullia. But, I do not believe that you will be influenced by such partisan pressure. I regard you as an impartial judge of matters relating to the district. Hope you will kindly remember the fact that Sullia and Puttur Taluks have been recommended by the Collector of the district for inclusion in the taluka development scheme and it is adopted by Government.

Yours truly

Jagannath
